Race 5

#5 - CARDIO PRINCESS (Horse To Watch) takes a confident step back up in class after being haltered from her last by an excellent claiming barn. Five-year-old Japanese bred daughter of HEART'S CRY figures to appreciate the surface switch a whole lot. She'll be a square price and must not be taken lightly! #4 - BELLESHAZZA, #10 - MARY KATHERINE, and #6 - SISTER NELL help make this a very playable contest.

Exacta/Trifecta/Superfecta Key: 5/4-10-6. Exacta Part-Wheel: 4-10-6/5. Exacta/Trifecta/Superfecta Box: 4-5-6-10.

Race 6

#5 - SHEA D WORLD takes a significant drop in class while returning to his preferred surface. Three-year-old Kentucky bred son of WORLD OF TROUBLE will use his natural speed to be a prominent player right from the start. Kick off today's late Pick 4 with a bang! #3 - NATURAL STAR, #8 - LACE UP (Horse To Watch), and #6 - FOR SOME REASON should fit quite nicely in the gimmicks.

Exacta/Trifecta/Superfecta Key: 5/3-8-6. Exacta Part-Wheel: 3-8-6/5. Exacta/Trifecta/Superfecta Box: 3-5-6-8.

Race 8

#2 - THE GREAT OZ makes his second start of the current meeting following a purposeful outing just 11 days ago. Six-year-old Kentucky bred son of LIAM'S MAP desperately needed that one after spending nearly 3 months on the sidelines. Do not let this guy slip past you! #4 - GRAND JOURNEY, #3 - SAMBURU, and #1 - SWAN LAKE are the other major players.

Exacta/Trifecta/Superfecta Key: 2/4-3-1. Exacta Part-Wheel: 4-3-1/2. Exacta/Trifecta/Superfecta Box: 1-2-3-4.
